

## Building Stronger Families

# through Tools, Resources, and Love

PowerMax Company is a nonprofit organization that is working to strengthen communities by making families stronger. With your help, we can provide resources, tools, and events that can assist families with the help they need to be stronger, happier, and to raise children who are breaking cycles and ready to conquer the world.

Each year, we sponsor four community events for families looking for the tools and resources to make their bonds stronger. We need your help.
